Restoration of the management of Hariharpur matt, Kadur Dt and its endowments to the Swamiga[illegible] thereof. and the Upanis of the matt [illegible]

Sri Ramananda Saraswati Swamigalu, Swami of the Matt.

No. Srimukha Dated 25 3 10 Received 28 3 10

Diary No. 1804	Enclos	Spare Copies	Serial No.

BRIEF ABSTRACT OF LETTER.

Forwards copy of a Srimukha addressed by him to H.H. the Maharaja (from his long term) States that he intends returning to Hariharpur shortly and requests that the management of the Matt and its endowments may be restored to him.

NOTES AND ORDERS.

From the previous note in the file, it will be observed that owing to the encumbered state of the matt's properties and the minority of the present Swamigalu, the Govt in their Pro: No. 205 dated 7th December 1892, directed that the landed endowments

should be taken over by the Taluk Amildar and managed till the Gyan was able to assume management and look after the matt's affairs himself.

2 In 1898, by which time, the Swamigalu had attained majority, he asked for the restoration of management, but it having been reported by the Deputy Commissioner that the Swami did not possess the capacity to manage and that the disciples of the Matt were not in favor of the restoration, orders were issued under Govt. Pro: No. 439 dated 7th Novr. 1899, observing that the management of the matts affairs by the Mutrai Deptt should not be disturbed. An endorsement was also given to the Swami in the above terms.

3 Again in Octr. 1903, the Swamigalu repeated his former request and in reply, an endorsement was issued stating that his request would be complied with after he returned to Harihanpur, made himself acquainted with the assets of the Matt and the manner in which they were managed, attended to the repairs of the Matt building and by actual residence at Harihanpur, gave both to the disciples and to Govt proof of his capacity to manage the Matt.

specific against the Swami than a mere accusation by persons who may perhaps have private feelings against him, I am afraid it would be too high-handed a proceeding to decline to instal the Swami in the management of the concerns of the Matha. Of course, he will be probably consulting his own interests if he allows us (as the Swamis of Swaganga and Sivale have done) to retain the management. It is perhaps likely he may do so if the matter is properly ~~managed~~ represented

I think that a reply may be sent to the ~~following~~ effect— ~~I~~ that we have ~~resolved~~ asked the D.C. to report about the state of the accounts of the ~~M~~ Matha up to date, and that if the Swami returns to his place, steps will be taken to arrange for the proper conduct of the affairs of the Matha (including the repairs of the buildings

To

Offg: Secretary to the Government of Mysore,

General and Revenue Departments.

Sir,

With reference to your letter No. 2591 Muz.584-09 dated 27th April 1910, and subsequent docket No. 2920 -584-09 dated 11th June 1910, forwarding for report the petitions from Sri Ramananda Saraswati Swamigalu of the Hariharpur matt re its restoration, &c., I have the honor to state that the Mutt was taken over under Government management in accordance with Government order No. 205/M.F.95-92 dated 7th December 1892. Since then, the inam and sircar lands in the Khate of the Mutt have been leased out among ryots on condition of their paying to the Mutt annually a certain amount in cash or stipulated quantities of paddy and areca-nut which are duly collected every year and sold by public auction to the highest bidder, the sale proceeds being credited to the Mutt. The realizations for the past 5 years are shown in the accompanying statement. Since the assumption of the management of the Mutt by Government in 1892 a saving of Rs. 3760/- has been effected after defraying all charges for paditara, nityagatle, hechukatle &c, as per scale of expenditure sanctioned by the then Deputy Commissioner, Mr.H.H.Sparkes, copy of which is herein enclosed for reference. Puja, Santarpane &c. have been properly conducted with due regard to economy. On the whole the affirs of the Mutt have been satisfactorily by the Amildar of Koppa, and the financial condition of the Matt has been gradullay improved.

2. During the Huzur Jamabandy of the Koppa Taluk in January last, I inspected the Mutt and found that the Mutt building was in a very dilapidated and tumbled down condition, incapable of withstanding one or two more monsoons. The small estimate of Rs.300/- was sanctioned for its repair in Government order 4201-2 dated 28th March 1908 which has been worked out has not, in any way, tended to arrest the deterioration and decay of the building. Considering its present condition, I think no amount of petty patch work will serve to prevent the collapse of the building; and it is therefore very necessary and desirable that the whole building should be completely pulled down and rebuilt. This work costing , as it will do, some thousands of rupees cannot be carried out under Revenue Agency, as there is no competent official of this Department who can be entrusted to do the work. I therfore request that you will be so good as to arrange to have an estimate prepared for the necessary repairs and the work carried out by the Chief Engineer in the Public Works Department.

3. There is at present, as already stated , a sum of about Rs.3o70/- vide para 2 available at the credit of the Institution which, I think, is quite inadequate to meet the cost of the repairs of the Mutt building. The Amildar of Koppa has been directed to ascertain and report what amount of contribution can be collected from the interested devotees of the Mutt and on receipt of his report I shall submit it for the orders ~~for the orders~~ of Government. Pending collection of the contribution amount I would request that the preparation of the estimate may be ordered to be expedited in the P.W. Department.

4. As regards the representations made by the Swami in the enclosed petitions, it will be seen that in the first of the petitions dated 25th March 1910, the Swamy asked for the restoration of the Mutt to him, but that in his subsequent petition

dated 8th May 1910 he has stated that the management of the Mutt by Government might be continued as hitherto, but that the allowance for paditara and nithyakatle charges which was fixed by Mr.Sparkes in his scale of charges at Rs 19-2-8 and 20 candies of paddy every month and which has been recently cut down and reduced, might be doubled. It is ascertained that the Amildar of Koppa having learnt on enquiry that the paditara allowances in accordance with Mr.Sparkes' scale granted to the Mutt was, during the absence of the Swamy, much in access of the actual requirements, reported the matter to the Assistant Commissioner and was ordered to reduce it to Rs. 15-6-8 and 14 candies of paddy per month. The Swamy having , however, now returned to the Mutt and brought to notice the inadequacy of the above reduced grant, the Amildar of Koppa has been directed to restore the scale originally sanctioned by Mr.Sparkes. The Swamy is, however, not satisfied with this allotment but wants it to be doubled. To decide this point, it is necessry to have definite information about the receipts from the Mutt lands. The Amildar of Koppa has been directed to submit full particulars in the matter, on receipt of which a further report will be submitted on the subject.

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

To

Note. The cover is addressed to the Dewan

His Highness
Sri Krishnaraja Wodayar Bahadur
&c &c &c. Maharaja of Mysore.

May it Please your Highness,

1. With reference to my Srimukham No 1881 of 25. 3-10. from Camp Coimbatore and my telegram from Palghatcherry, I received the following telegram from the Dewan:—

"In reply to your telegram to your Highness Maharaja I have to inform you previous representation is under examination you must await result."

Dewan dated 12-4-10.

2. Then again I received a letter from the Offg. Secretary to Government dated 8-5-10. informing me that the management will continue under the supervision of the Government and that every facility will be given and arrangement made to make good provision for the Mutt expenses with due regard to the claims of the Mutt and the Devasthanam.

3. On receipt of such a reply from the Offg. Secretary I thought that the Government meant to

relieve me of my onerous duties with regard to Supervision of the Trust properties and as such I signified my approval that to same may be effected.

4. I returned to the Mutt on 12-6-10 and no facilities have been made up to this moment. Nor has the charge been handed over to me of the Mutt money & the Mutt properties It is really surprising that such a business should not be completed even at the end of 6 months. When I have given intimation nearly 6 months before now it is also a pity that the usual provision to the Mutt made before my arrival have been withdrawn, Also the amounts collected from my Sishyas have not been paid up to date. Even the allowance for the Sarada Puja on the date of the celebration of the marriage of the Jeevaraja has not been paid upto date though nearly Rs 3/- have been spent here on the occasion

5. It is more than 4 months from the date of my arrival here & I have to maintain the Mutt on Borrowed money and there are no more men here to lend. With great difficulty I have managed hitherto I have borrowed & spent Rs 1000.

6. It is really painful that [illegible] is alimentary items [illegible]

be delayed so long and it is difficult to conceive that no steps have been taken before the commencement of the Navarathri.

Under the above circumstances it is difficult to pull on unless immediate arrangements be made for relieving me of the unnecessary difficulties I am put to. I do not want that the management of the Mutt property should any more continue under the Supervision of the Government I am able to manage the property myself. So I hope and expect a telegraphic reply that the ready money (cash balance) of the Mutt money at the hands of the State is at once transmitted to me. I wish to receive the amounts at once. I should also like to take charge of the Mutt properties as soon as possible without any more delay. If I do not receive a telegraphic reply as above prayed for and immediate remittance of the cash balance, I have fixed the 1st of November 1910. for proceeding on my Pradakshina yatra i.e. to spend my life in camps. I would like to have over charge of Mutt to whom [illegible]

Highness chooses & to proceed to camp

8 I am sorry to note that Sri Sarada has not been pleased to remind your Highness of your duties & the truth and to maintain a Sanyasi in your dominion if speedy arrangements be not effected forthwith.

9 Expecting therefore the telegraphic reply and immediate remittance of the cash balance at once & the charge be handed over without further delay.

Devoutly praying at the Lotus feet of Sri Saradaambal for the Long life and prosperity of your Highness.

From,

Deputy Commissioner

To, C. S. Balasundaram Iyer, Esq, B.A.,
Secretary to the Government
of Mysore,
Genl. & Rev: Department.

Sir,

With reference to your No. 3073/Genl. 7.584-09-28 dated 31st May 1911 forwarding copy of Chief Engineer's letter No. 3630 dated 29th April 1911 with its Enclosure for my remarks regarding the dilapidated condition of the Matt buildings at Harihar[pur] in the Koppa Taluk, I have the honor to submit herewith the two petitions Nos. 2571 and 2578 addressed to this Office by the Swamigalu of the said matt, wherein he represents that it is unnecessary to spend such a large sum as fifteen or twenty thousand rupees over the building as stated in the Executive Engineer's letter to the Chief Engineer, and that the required repairs can be carried out at a cost of only about three or four

ou[sand]

thousand rupees. The Swamigalu requests that these repairs may be carried out by Government from the State grant and that the Savings at the credit of the matt may not be applied for the purpose.

2. It appears that the Executive Engineer's report as to the approximate amount required for the repairs of the Matt building is based on the general appearance of the building and that no attempt at the preparation of regular estimates has been made. From what I have seen of the building, I am of opinion that though its complete demolition and reconstruction may require the large amount mentioned in the Executive Engineer's letter, the urgent repairs required to protect it and save it from collapse can be carried out within the sum mentioned by the Swamigalu. I would therefore suggest that a regular estimate may be caused to be prepared in the Public Works

Department for only the urgent works required for the preservation of the building.

3. With regard to the representation of the Swamigalu that the balance at the credit of the matt should ~~be~~ not be touched and that the work should be undertaken from State funds, I think that it may be deferred for consideration after the receipt of the Estimate from the Public Works Department.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner

With reference to the correspondence ending with your letter no 287 of 17-1-12 ~~stating~~ reporting that, in ~~his~~ your opinion, it is unnecessary to spend such a large sum as Rs 15,000 or R 20,000 for thoroughly repairing the Matt building at Harihapur and suggesting that the Chief Engineer may be requested to prepare an estimate at a cost of Rs 3,000 or Rs 4,000 for urgent repairs

over.

to the Matt and that the question as to whether the cost of repairs may be met from the Matt funds or from the State funds may be deferred for consideration after receipt of the estimate from the Chief Engineer, I am directed to state that unless there is any probability of money being forthcoming, it would be a waste of time to be preparing a scheme, ~~to state the position and probability~~ and to request you to be so good as to determine at once and point out the source from which the cost of the repairs may be met, before any reference is to be made to the P W Dept about preparing the estimate
